Methodological notes

Statistical data on the trips of Bulgarian citizens abroad and visits by foreigners in Bulgaria are obtained on the basis of monthly information received from the Ministry of Interior and sample survey of the National Statistical Institute among Bulgarian and foreign citizens passing the border check points.

Data on the number of the trips of the citizens of the European Union are estimated on the basis on the information obtained from the Ministry of Interior and the airport authorities. Data on the number of citizens of "third countries" are obtained directly from the Ministry of Interior.

Data on the purposes of the trips are developed on the basis of the NSI's regular monthly sample survey of passing Bulgarian and foreign citizens on the border check points.
