CATALOGUE OF STATISTICAL PUBLICATIONS 2016

135 YEARS BULGARIAN STATISTICS 135 YEARS BULGARIAN STATISTICS

Dear users,

This is the last edition of the *Catalogue of Statistical Publications 2016*.

The Catalogue provides information on publications, which the National Statistical Institute (NSI) is going to issue next year.

In 2016 we will continue the tradition of providing our users with printed and electronic publications with the latest statistical data on the demographic, economic and social development of Bulgaria.

Thematically the publications in the Catalogue are structured in three themes: (1) *General Statistical Publications*; (2) *Population and Social Statistics* and (3) *Economy*. The Catalogue presents each publication by title, brief summary of its contents, ISSN number, periodicity, type (printed or electronic), price and publication deadline.

Practical information on how to carry out the subscription and purchase of publications is presented, together with contact information for the NSI.

The NSI's website (**www.nsi.bg**) provides access to wide range of up-to-date information about the activity of the NSI and results of the statistical surveys.

For more detailed information or data not available in the NSI publications and on the website, please contact our experts via e-mail: info@nsi.bg.

The rich NSI library collection, which comprises all NSI publications and many other Bulgarian and from around the world issues, is open to visitors.

Realizing that our work is of complete when it meets public needs, we welcome your comments, suggestions and recommendations that would contribute to enhancing the quality of statistical products and services, and improving of the activity on their dissemination.

Sergey Tsvetarsky
President of the National Statistical Institute
