A legal unit is a legal entity under public or private law.

This legal entity can be:

- *A legal entity* - whose existence is recognized by law regardless of the persons or institutions that own it or are members;
- *A natural person* - who, as an independent person, exercises economic activity. In order to exist, it must be legally registered with the competent administrative authorities (Commercial Register and Register of Non-Profit Legal Entities, Bulstat Register and others).
- *Liquidation* - the process of voluntarily terminating the activities of a merchant and distributing the assets among creditors and shareholders.
- *Bankruptcy* - a court proceeding of forced execution to satisfy the creditors of a merchant who is insolvent or over-indebted.
