DEFICIT/SURPLUS BY SUBSECTORS OF ‘GENERAL GOVERNMENT' SECTOR - II QUARTER OF 2026

The data of the ‘General Government’ sector for the second quarter of 2026 have been published. Revenues in the amount of EUR 11 643.9 million, expenses in the amount of EUR 12 588.4 million and deficit in the amount of EUR -944.4 million were reported.

The data on revenues, expenditures and deficit/surplus of the ‘General Government’ sector are based on cash reports and trial balances on an accrual basis of the budgetary units, as well as quarterly data on the public enterprises reclassified in the sector, calculated by sub-sectors: sub-sector ‘Central Government’, sub-sector ‘Local Government’ and sub-sector ‘Social Security Funds’. The deficit/surplus of the ‘General Government’ sector is equal to the sum of the deficit/surplus of the sub-sector, while the total revenue and expenditure are consolidated between the sub-sectors.
