# CATALOGUE OF STATISTICAL PUBLICATIONS 2022

Dear users,

The National Statistical Institute presents to your attention the new 'Catalogue of statistical publications 2022'.

The Catalogue is quick reference guide including information on publications, which the National Statistical Institute (NSI) is going to issue next year.

We continue the tradition of providing our users with printed and electronic publications with the latest statistical data on the demographic, economic and social development of Bulgaria.

The subscription and purchase option concerning publications are well described. The ways to contact the NSI are specified, as well.

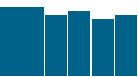

On the NSI website (**[www.nsi.bg](http://www.nsi.bg)**) one can be found plenty of information on the activities of the institute and the results of statistical surveys - in Bulgarian and in English.

Online access to information databases is done through Information System 'Infostat' (**<https://infostat.nsi.bg/infostat>**), which provides users with options to form and execute requests for statistical data.

The rich fund of the NSI's library is at your disposal, where you can gain access to NSI's publications as well as the issues of other Bulgarian and international organisations and publishing houses.

Realizing that our work is of complete when it meets public needs, we welcome your comments, suggestions and recommendations that would contribute to enhancing the quality of statistical products and services, and improving of the activity on their dissemination.

**Sergey Tsvetarsky**  
**President of the National Statistical Institute**
