

## **Homes for medico-social care for children in 2025**

As of 31.12.2025, 97 children were accommodated in the homes for medico-social care for children, and compared to the previous year, their number decreased by 18.5%. As a result of the national deinstitutionalization policy, it is planned to remove all children from the homes for medico-social care for children and to close these institutions.
