

# EMPLOYEES UNDER LABOUR AND CIVIL SERVANT ACT IN THE ADMINISTRATION OF EXECUTIVE POWER 2018

## 1. Purpose and use

The information on the number of employees in the administration of executive power aims at helping the general government in monitoring the current state and the dynamics within the administration. It provides regular statistical data for preparation of the annual reports on the state of the administration.

## 2. Main definitions

**Employees** are all persons who have a labour contract (fixed or permanent; full-time or part-time) with their employer by virtue of the Labour Code or the Civil Servants Act and who receive remuneration in cash or in kind for certain quality and quantity of work done.

**Administration of executive power** comprise of the administration of the Council of Ministers, the ministries, the state agencies, the administration of the state commissions, the executive agencies, the regional and municipal administrations and other administrative structures established with a legislative act that has functions in connection with the implementation of the executive power. The administration of the executive power is central and regional.

**Central administration** comprise of:

1. *the administration of the Council of Ministers;*
2. *Ministries* - an administration that shall support the Minister's activity;
3. *State agencies* - an administration directly subordinate to the Council of Ministers for the development and implementation of a policy for which no ministry has been established;
4. *The administration of the state commissions* is a collegial body with the Council of Ministers or a minister for exercising control, registration and authorization functions for the implementation of a law or a decree of the Council of Ministers;
5. *Executive agencies* - an administration to a designated Minister for administrative servicing of natural and legal persons, as well as for performance of activities and services related to the provision of the activity of the authorities of the state administration and the administration;
6. *Structures of administration established with legislative act, which have functions related with the implementation of the executive power* - state institutions established by law or by a decree of the Council of Ministers, who have functions in connection with the implementation of the executive power;
7. *Structures of administration established with legislative act, reporting to the National Assembly of the Republic of Bulgaria* - state institutions established by law, which report their activity to the National Assembly of the Republic of Bulgaria;
8. *Structures established under art. 60 from the Law for the Administration* – structures established, by decree of the Council of Ministers under its authority or to the Minister. Such structures are: experimental laboratories, research institutes, educational centers or training centers, medical or rehabilitation centers and others.

**Regional administration** includes:

1. *Municipal administrations* - supports the activities of the municipal councils and municipal mayors;
2. *District administrations* - supports the activities of the District Governors in making the regional policies and ensuring correspondence between the national and local interests in the implementation of the regional policy;
3. *Specialized regional administrations, established as legal entities with legislative act* - specialized territorial administrations, established as legal entities with normative act.
