

PRICELIST AND PRICING FOR THE PREPARED AND SUBMITTED STANDARD AND SPECIALIZED STATISTICAL PRODUCTS AND SERVICES

Art. 1. This pricelist shall regulate the pricing and deadlines for the preparation and submission of standard and specialized statistical products and services.

Art. 2. The standard and specialized products and services shall be prepared and submitted in accordance with the provisions of the Law on Statistics, Rules of procedure of the NSI and the Rules for dissemination of statistical products and services of the NSI.

Art. 3. The fees for the provision of statistical information under the Tariff fees collected by the National Statistical Institute under the Law on Statistics shall be not subject to this methodology.

Standard statistical products and services

Art. 4. Standard statistical products and services:

(1) Provision of information by an official answer (cover letter) - the value of information services shall be formed as follows:

1. The value of information calculated under Art. 7;
2. Official letter - 9.60 BGN.

(2) Production and providing information:

1. Information included in the list of the standard statistical indicators – free of charge:
 - In the IS „Infostat” („Free of charge statistical data”, „Specific requests for statistical data”);
 - On requests, received by e-mail or in the Reception desk.
2. Information not included in the list of the standard statistical indicators – against payment:
 - In the IS „Infostat” („Paid databases”, „Specific requests for statistical data”);
 - Under contracts and/or agreements;
 - On requests, received by e-mail or in the Reception desk.

Art. 5. The final cost of the statistical products (services) provided against payment shall be complex and shall be formed depending on the requested user criteria (territorial levels, economic activities, kind of ownership and other classification groups), number of identifiers, number of databases used in implementing the request, complexity in control of confidentiality, etc.

Art. 6. Negotiated price shall be determined as follows:

(1) Development of special software, additional electronic processing associated with regrouping and carrying out additional arithmetic and logical operations and application of more complex statistical and mathematical methods in order to obtain derivatives and analytical indicators, preparation of specific outputs and breakdowns requested by the user.

(2) Provision of geo-referenced information based on analysis of the user-defined criteria.

Art. 7. The value of information provided according to Art. 4, para 2, point 2 shall be formed as follows:

(1) In production and provision of information by requested user criteria (territorial levels, economic activities, kind of ownership, form of financing and other classification groupings):

1. Through IS „Infostat” („Paid databases”):

Depending on the number of column cells		Coefficient of confidentiality ¹	
Column cells-number	Price of column cell - BGN	Per cent	Coefficient
up to 50	0.42	from 0.1% to 20%	1.5
from 51 to 100	0.36	from 20.1% to 40%	2.0
from 101 to 250	0.30	from 40.1% to 60%	2.5
from 251 to 500	0.24	from 60.1% to 80%	3.0
from 501 to 1000	0.18	over 80%	3.5
over 1000	0.12		

¹Depending on the calculated per cent of confidential column cells the relevant coefficient shall be accrued.

2. By e-mail or on electronic carrier:

Depending on the size of the file	
Size of the file	Price - BGN
from 1 to 100 KB	3.30 BGN per KB
from 101 to 500 KB	330 BGN + 1.20 BGN for each KB of the excess over 100 KB
from 501 to 1000 KB (1 MB)	630 BGN + 0.60 BGN for each KB of the excess over 500 KB
over 1 MB	930 BGN. + 0.60 BGN for each KB of the excess over 1 MB

3. On paper:

Number of pages	Price - BGN
1 page	13.20 BGN
from 2 to 5 pages	13.20 BGN + 12.00 BGN for each page from the 2nd to the 5 th page
from 6 to 10 pages	13.20 BGN + 9.60 BGN for each page from the 2nd to the 10 th page
over 11 pages	13.20 BGN + 8.40 BGN for each page after the first one

(2) Production and provision of aggregated data from statistical surveys requested by the user through the IS „Infostat” („Specific requests for statistical data”), on request on paper or by e-mail:

1. Basic price depending on the number of indicators:

Number of indicators	Price - BGN
1	120
from 2 to 30	222
from 31 to 50	336
from 51 to 100	402
over 101	504

2. Basic price depending on the territorial breakdown:

Territorial breakdown	Price - BGN
Total for the country	180
For one statistical region	240
For all statistical regions	540
For one district	180
For all districts	360
For one municipality	60
Up to five municipalities in the district	300
Over five municipalities in the district	390
For all municipalities in the country	2700
For one settlement	60
For all settlements in the municipality	450
For all settlements in the country	5100

3. Basic price depending on the number of activities (sector/section/group/class of CEA-2008):

Number - activities, sectors, sections, groups, classes of CEA-2008	Price - BGN
For 1	120
From 2 to 10	180
From 11 to 50	240
From 51 to 100	300
From 101 to 500	330
Over 501	360

- (3) Forming of a list of statistical units (enterprises or individuals/households):

1. Basic price on user-defined criteria depending on the number of enterprises:

Number of enterprises	IS „Infostat”	Request on paper or by e-mail
	Price per enterprise - BGN	
Up to 100	1.20	2.40
From 101 to 500	1.14	1.80
From 501 to 1000	1.08	1.74
From 1001 to 5000	1.02	1.68
From 5001 to 10000	0.96	1.62
Over 10000	0.60	Negotiated price - starting price 16200 BGN, the price for each enterprise over 10000 shall be not less than 0.60 BGN per enterprise

2. Basic price depending on the identifiers for each enterprise:

Number of enterprises	Identifiers/Price - BGN			
	Name	UIC	CEA	Address
Up to 100	Regardless of the number of identifiers - 1.62 BGN per enterprise			
From 100 to 500	0.30	0.48	0.48	0.30
From 501 to 1000	0.30	0.42	0.42	0.30
From 1001 to 5000	0.24	0.42	0.42	0.24
From 5001 to 10000	0.24	0.36	0.36	0.24
Over 10000	Negotiated price - starting price 12000 BGN			

3. Basic price for sample formation from individuals or households (anonymised individual data):

- a) For one individual - 0.72 BGN;
- b) For one household - 1.50 BGN.

4. Development of representative samples for households surveys:

- a) For one individual - 1.50 BGN;
- b) For one household - 2.40 BGN.

5. Demographic projections of population per administrative-territorial or territorial unit (ATTU):

- a) For one ATTU - 30 BGN;
- b) For one ATTU by sex and age - 48 BGN.

(4) Control of confidentiality shall be made for the information provided to the user and a relevant coefficient shall be accrued from 2.0 to 6.0.

(5) В зависимост от спецификата на изискванията на потребителя цените се завишават с коефициент на сложност от 2.0 до 5.0.

(6) According to the number of the databases used in implementing the request the price of service shall be increased by coefficients as follows:

- 1. One database - 1.0;
- 2. From 2 to 5 databases - 1.4;
- 3. From 6 to 10 databases - 1.5;
- 4. Over 10 databases - 1.6.

Specialized statistical products and services

Art. 8. Specialized statistical products and services:

(1) Preliminary research and analysis of capabilities for preparation of requested specialized statistical product - from 12 to 30 BGN depending on the complexity of research.

(2) Preparation of a report for the code of economic activity (CEA) and registered copy of report:

Name of service	Price - BGN		
	Standard order (within 3 working days)	Fast order (within 2 working days)	Express order (within 8 hours)
Preparation of a report for the code of economic activity of the enterprise			
1. On the basis of the presented annual report of the activity			

Name of service	Price - BGN		
	Standard order (within 3 working days)	Fast order (within 2 working days)	Express order (within 8 hours)
Main activity for one year	12	24	36
Main activity for two years	18	36	54
Main activity for three years	24	48	72
Main activity for more than three years	24 + 6 for each subsequent year	48 + 12 for each subsequent year	72 + 18 for each subsequent year
Main activity and <i>additional activities</i> for one year	18	36	54
Main activity and <i>additional activities</i> for two years	24	48	72
Main activity and <i>additional activities</i> for three years	30	60	90
Main activity and <i>additional activities</i> for more than three years	30 + 12 for each subsequent year	60 + 24 for each subsequent year	90 + 36 for each subsequent year
Letter reply : - in case of a declaration of inactivity; - without stated net revenues from sales; - in the case of non-provided compliance between the content of the ARA and stated economic activity.	12	24	36
2. In case of non-provided ARA			
Letter reply	9.60	19.20	28.80
Provision of report for main indicators for economic and financial status of the enterprise and code of main economic activity	13.20	26.40	39.60
Preparation of a registered copy of presented to the NSI statistical report			
Up to 10 pages	18	36	54
From 11 to 30 pages	36	72	108
Over 30 pages	45	90	135

(3) Preparation of translations from Bulgarian to English of statistical information products on the request of users - 12 BGN for one standard page.

(4) Price for copying:

1. for one A4 page - 0.12 BGN;
2. for one A3 page - 0.24 BGN.

(5) Prices for recording information on a CD - 2.40 BGN, incl. the carrier.

(6) Prices for one set of paper forms for Annual Activity Report:

1. Annex 2 - Annual Activity Report of the non-financial enterprises making up the balance sheet - BGN 6;
2. Annex 4 - Annual Activity Report of non-profit enterprises - BGN 6.

Deadlines for provision of information products and services on request

Art. 9. The deadline for the preparation and provision of standard and specialized statistical products and services shall be up to 10 working days.

Art. 10. Express or fast information service can be provided with the opportunity for the implementation as the value and the deadline for implementation of the service shall be determined as follows:

(1) Express order - within 8 hours after the application/one working day after the submission of the request in the Document registry unit of the NSI, and the value of the service shall be 3 times the basic price.

(2) Fast order - within 2 working days after the application /two working days after the submission of the request in the Document registry unit of the NSI, and the value of the service shall be 2 times the basic price.

Art. 11. The deadline for the preparation and provision of standard and specialized statistical products and services requiring additional processing and checking for confidentiality shall be negotiated.

Art. 12. The deadline for the implementation shall start:

1. For free of charge requests and requests worth up to 100 BGN – from the day, following the date of submission of the request in the Document registry unit of the NSI;
2. For requests worth from 101 to 5000 BGN - after confirmation of payment;
3. For requests worth over 5000 BGN – after conclusion of an agreement (contract) in accordance with the achieved agreements.

FINAL PROVISIONS

§ 1. This pricelist shall be issued pursuant to Art. 10, para. 2 of Rules for the dissemination of statistical products and services of the NSI.

§ 2. The prices are VAT included.

§ 3. The payment of the negotiated prices shall be made in BGN or according to the terms of specific contract.

§ 4. In case the NSI shall fulfill users' requests from abroad the payment shall be made in foreign currency according to the exchange rate of Bulgarian National Bank on the day of payment.

§ 5. The payment for services against payment of the IS „Infostat” shall be made as follows:

1. With card through ePay;
2. With code for payment at any office of EasyPay;

3. Payment by bank transfer;
4. Payment by virtual post terminal;
5. Payment in cash in the cashier's office of the NSI Head Office.

§ 6. The payment for other statistical products and services shall be made as follows:

1. In cash in the cashier's office of the NSI Head Office and RSO against the issue of proof of payment;
2. Payment by bank transfer.

§ 7. The Pricelist shall enter into force on the date of its approval by the President of the NSI.
