

REPUBLIC OF BULGARIA

NATIONAL STATISTICAL INSTITUTE

CATALOGUE OF STATISTICAL PUBLICATIONS 2013

Dear users,

Each year the National Statistical Institute publishes a Catalogue of the Statistical Publications in order to inform you of its upcoming dissemination and information activities.

The catalogue is a quick reference guide including information about every issue – content, type (printed or electronic version), periodicity, price, date of issue and international identification number.

In order to fully meet consumer demands and interests in the upcoming 2013, in its plan for publications the NSI includes printed and electronic publications. Printed issues are accessible in an analogous electronic version on a CD. All electronic publications, as well as the electronic versions of the printed publications are available free of charge in .pdf format on the Internet site of the NSI - www.nsi.bg.

The subscription and purchase options concerning the publications are well described in the catalogue. The ways to contact both the NSI and the Regional Statistical Offices are specified, as well.

On the web site of the NSI one can find plenty of statistical information - in Bulgarian and English, which is regularly updated and complemented.

The rich fund of the NSI's library is at your disposal where you can gain access to NSI's publications as well as the issues of other Bulgarian and international organizations and publishing houses.

We welcome your comments and recommendations about our information publications in 2013, driven by the desire to offer user-orientated products and services.

Reneta Indjova, PhD
President of the National Statistical Institute
