

Данните, включени в раздела, са взети от статистическите публикации на ООН и други международни организации.

Всички наименования на страните и зависимите територии и данните за тях са посочени според начина на представянето им в ползваните международни издания.

Data included in this chapter is extracted from United Nations' and other international organizations' statistical publications.

The names of countries and dependent territories and the corresponding data are indicated according to their presentation in international issues used.
